Here is a list of V2K transmissions I have pick-up over time. They are primarily geared towards Psychological Manipulation, and the constant degradation of my mental state.

&ldquo;You are going to walk into a hornets nest when you walk outside that door.&rdquo;

&ldquo;You are going to get it when you walk out that door.&rdquo;

&ldquo;I want you to sit down right there just for a minute.&rdquo; (as they pelt me with Head Attacks)

&ldquo;You won&rsquo;t ever be able to find someone to get in with now, not after what we just did to you.&rdquo;

&ldquo;I can&rsquo;t believe what you just did to us.&rdquo;

&ldquo;We don&rsquo;t want you to drive around with us anymore.&rdquo;

&ldquo;I can&rsquo;t believe what we just did to you.&rdquo;

&ldquo;I can&rsquo;t believe what you let us do to you.&rdquo;

&ldquo;You won&rsquo;t believe what we&rsquo;re going to do to you for talking to one of us like that.&rdquo;

&ldquo;You are not getting in with us right now.&rdquo;

&ldquo;You are not getting in with us now.&rdquo;

&ldquo;We&rsquo;re helping you.&rdquo;

&ldquo;We&rsquo;re just trying to help you."

&rdquo;We&rsquo;re just trying to get you in with us.&rdquo;

&ldquo;I can&rsquo;t believe what YOU did.&rdquo;

&ldquo;We don&rsquo;t want you in with us.&rdquo;

&ldquo;We won.&rdquo;

&ldquo;We won this one.&rdquo;

We&rsquo;re going to have to start from square one now.&rdquo;

&ldquo;I can&rsquo;t believe we wanted you in with us.&rdquo;

&ldquo;You almost got in with us.&rdquo;

&ldquo;We&rsquo;re never going to live this one down.&rdquo;

Much cussing&hellip;

&ldquo;You&rsquo;re an ass hole.&rdquo;

&ldquo;You&rsquo;re a fucking ass hole.&rdquo;

&ldquo;You&rsquo;re as ass bitch.&rdquo;

&ldquo;You&rsquo;re an anal fungi&rsquo;ed, anal troll.&rdquo;

&ldquo;Fuck you, govharass.&rdquo;

&ldquo;We can&rsquo;t take this anymore.&rdquo;

He won&rsquo;t be able to put up with this much longer.&rdquo;

&ldquo;I can&rsquo;t believe what you did in front of all of us.&rdquo;

&ldquo;You need to stand up for yourself.&rdquo;

&ldquo;You won&rsquo;t stand up for yourself.&rdquo;

&ldquo;No one can be this stupid.&rdquo;

&ldquo;We won&rsquo;t let you walk away from this now.&rdquo;

&ldquo;You don&rsquo;t know what you have.&rdquo;

&ldquo;You&rsquo;re the ONE.&rdquo;

&ldquo;You don&rsquo;t know what you did for us.&rdquo;

You know what you need to do to get in with us.&rdquo;

&ldquo;You need to tell us you want in with us as soon as you step through that door.&rdquo;

&ldquo;We didn&rsquo;t want this to go down this way.&rdquo;

&ldquo;We&rsquo;re never going to be done with you.&rdquo;

&ldquo;We don&rsquo;t want you here if you don&rsquo;t want in with us.&rdquo;

&ldquo;You need to leave.&rdquo;

&ldquo;We don&rsquo;t want you stepping one foot through that door.&rdquo;

Meaning into any given store, to shop.

&ldquo;We won&rsquo;t let you win.&rdquo;

&ldquo;You won&rsquo;t be able to leave now.&rdquo;

&ldquo;Stand right there for a second.&rdquo;

Someone near by, next to me or next isle, who pings me with head hits.

&ldquo;Sit right there for a second.&rdquo;

Someone near by, next to me or next isle, who pings me with head hits.

&ldquo;Don&rsquo;t take that picture of me, fool.&rdquo;

&ldquo;We won&rsquo;t give you that stuff, now.&rdquo;

&ldquo;We&rsquo;ll never forgive you for this, son.&rdquo;

&ldquo;You need help.&rdquo;

&ldquo;You don&rsquo;t know what we&rsquo;re going through.&rdquo;

The sing/start songs, and state where ever I go, &ldquo;They&rsquo;ll be there.&rdquo;

&ldquo;You can&rsquo;t eat what&rsquo;s set out in front of you or given you by someone.&rdquo;

&ldquo;You know too much.&rdquo;

We won&rsquo;t let you walk away from this, now.&rdquo;

&ldquo;You don&rsquo;t know what you can do.&rdquo;

&ldquo;You don&rsquo;t know what you&rsquo;ve got.&rdquo;

&ldquo;We&rsquo;ll never forgive you for what you&rsquo;ve don/what you&rsquo;re doing.&rdquo;

&ldquo;We&rsquo;ll never forget.&rdquo;

&ldquo;I can&rsquo;t believe you started this with us.&rdquo;

&ldquo;Have you ever had trouble with law enforcement before?&rdquo;

(Told by a police when he pulled up next to me. I was parked on side of road.)
