Hi, my name is Jonathan Olmstead , i live in Gatineau ( 6 radisson app.517), Quebec, Canada. I found out i was a Targeted Invididual february 1st 2007. I think it started at my previous employment, Foreing Affairs, 125 sussex ottawa, ON. I was talking with my Boss, named Maurice Gravel, who is now a perp i believe, Anyways we we're talking about 911 and politics in general outside in front of the building. A strange man appeared and infiltrated our conversation, and started talking i didnt mind honestly, i thought i had nothing to fear about since, we can speak our mind , i told him the official 911 thoery was hard to believe, anyways its not not i was talking to everyone about it, it just happened that day, and was at the wrong place at the wrong time, now i'm harrassed 24/7 everywhere i go i got perps everwhere, i got pictures, liscense plate numbers, and they operate from a government building (ministere des transports du quebec) i think, or more places simultaneously ( whit microwave and EM weapons), looks like im more targeted now that i found out about it. I stay strong, god help us
